NEWS OF THE DISTRICT

HARDISTY.

Bulletin News Service.
The annual municipal elections of the town of Hardisty took place yesterday. Mr. Allan Johnstone, last year's mayor, having been elected by acclamation, the contest for the council was between the following candidates: Mr. Thomas McKay, Mr. W. C. White, and Mr. W. D. Dillbeck. Mr. W. C. White and Mr. D. Dillbeck were elected by a vote of 10 to 8. Mr. McKay was elected by a vote of 10 to 8. The three old councillors were elected by substantial majorities. For the school board, Mr. W. Adams presented himself, Mr. W. A. Palmer, Mr. J. A. Nowlan, Mr. V. B. Robbins and Mr. M. Brown. The contest was keen, a very large vote being polled. Hardisty has made great progress during the year. Light months ago it was a struggling village, today it is a town with graded streets, cement sidewalks and street lights. Several substantial buildings have been erected and the place has taken on an entirely up-to-date appearance. All these improvements have followed the erection by the Canadian Pacific railway of their round house, shops and station, and a laying of very heavy track, which shows that this is to be a heavy railroad point. Hardisty is the first divisional point on the Edmonton on the main line to the east.

ADRIANSON.

Bulletin News Service.
Thomas Vance has moved his family to Edmonton, where they will make their future home. Mr. Vance had the misfortune to have one of his fingers badly crushed by a heavy plank falling on it. While at Adrianson, on Saturday night, Mrs. Robert Crumpler's team, which was hitched to a democrat, became lame and started for home, a distance of about four miles, making the trip in a short time. Fortunately no serious damage was done, with the exception of a broken spring and the loss of a new atom and a garden rake, which were in the rig. Mrs. Edmonson, who has been visiting friends in Edmonton, has returned home. The annual Christmas entertainment of the Presbyterian Church will be held on Friday evening, December

20th. An interesting program will be rendered and refreshments served. No admission will be charged, but a collection taken up. Santa Claus is expected to make his annual visit and a good time is promised all who attend.

Mrs. E. W. McKinnon, of Hilly, has been visiting a few days at the home of her brother, Mr. Thomas Howard. Miss Jane Lackey, who is attending school in Edmonton, is home for a visit and will spend the holidays with her parents here. A very pleasant gathering was held at the Presbyterian Church on December 8th, when the Willing Workers had their annual social and sale of work. The church was crowded to its utmost capacity, standing room being at a premium. A varied and interesting program was rendered and listened to by an appreciative audience. Among those who assisted were Mrs. E. W. McKinnon, of Hilly, and Mr. C. C. Hamilton, of Agropolis. The various articles offered for sale were readily disposed of. The proceeds of the evening amounted to thirty dollars. After refreshments were served, the singing of the National Anthem brought a very pleasant evening to a close. The ladies desire to express their sincere thanks to all those who assisted in making the evening a success. Adrianson, December 12.

WETASKIN.

Bulletin News Service.
Unway rests the mind of Alex. Knut who had the honor of heading the poll of the election for mayor of the city on Monday last, as the machinery of the courts has been placed in motion with the object of proving that his qualifications do not comply with the ordinance. The election was a warm one, and the closest interest is being taken in the ultimate result. It is expected that the matter will be settled before the first of the new year. At the regular meeting of the city council on Tuesday evening, the most important business was the consideration of the resignation of W. J. Logan, city solicitor, who desired the attention to take effect forthwith. A committee was appointed to interview Mr. Logan and endeavor to have him continue as the legal advisor of the city until the end of the year. The police committee reported that the incoming council be requested to comply with the wish of the Chief

Puller, and engage a third policeman for the next day. The chief of the fire department was instructed to inspect suitable teams for the brigade, to report and report at the next meeting. The hall will soon be in readiness to accommodate a team. The brigade will be thoroughly re-organized. The first of the year, when it is expected that it will be one of the best brigades in the province.

Annual meeting of the Hovvets Rotary Engine Company, Limited, as well as the aforementioned meeting, was held during the past week. The participants were entirely satisfied. The report made to show that the engine is greatly improved over a year ago, and is now of high commercial value, and as soon as the engine can be put on the market, will replace many of the re-engineering engines now in use. The manufacturing rights for Japan and the Orient have been sold at a highly satisfactory figure. All the members of the board of directors were re-elected, namely, Geo. D. Wallace, president, and Dr. Robertson, and Messrs. N. S. Craig, N. J. Montgomery, R. W. Manley and the names of H. M. Angus and A. A. Ellis were added to the list.

A sensation was created in the city on Wednesday morning, when it was learned that the officers at the mill had struck a rich flow of gas. Persons who resided at Medicine Hat at the time the first gas was struck there claim that the outbreak here was greater than experienced at the gas city, and that the indications here are as good or better than they were at the Hat. It is estimated that there is now much more than sufficient gas to run the entire electric light and water plant of the city, and the well is said to only a few feet over line. Those who know claim that the well is said to be down a short distance further, a flow which will be struck that will equal that of any well in Western Canada. It is estimated that this well will put out as it is now expected. We will have inducement to offer wholesale houses and manufacturers. In the way of cheap power, central sales, fire protection, and with resources and raw material at our very door. Competing lines of railway will build here with all possible speed, and the Elevator City will rapidly become one of the largest commercial centers in Western Canada. The annual meeting of the Wetaskin agricultural society was held at the city hall on Wednesday of last week, when the reports for the year were presented and work for the future considered. There was a good attendance and the keenest interest was evinced in the proceedings. Owing to the exhibition being held at the busiest time of the fall and the attendance was disappointing, there is a small decrease in the number of members. The officers elected for the coming year are as follows: President, W. Dabson, V. R. (re-elected); 1st vice-president, D. C. Nelson (re-elected); 2nd vice-president, J. H. Thompson (re-elected); Frank Gross, directors, Neil C. Nelson, Chas. D. Egan, W. H. Morison, Woodrow, T. A. E. Fawcett, John Henry, H. T. Hix, F. W. Gross and R. Hawkins.

Creney Important Pass.

London, Dec. 14.—The Daily Telegraph's Pekin dispatch says that government measures announced that the Imperialists have occupied Yangtze River, an important pass in the Shan Province.

ROYALTY INAUGURATES HEALTH ASSOCIATION

How, Martin Barrett, Institute That Government May Add Department of Public Health—New Association Has Laudable Aim in View.

Montreal, Dec. 13.—A brilliant affair was given to the inaugural meeting of the Canadian Public Health Association, tonight, at the Convention Hall of the Royal Victoria College, when the first meeting of the association was formally opened by Her Majesty the Duke of Connaught. The Government was accompanied by Her Royal Highness the Duchess of Cornwall and Prince Patricia of Cambridge, while on the platform were, Hon. Mr. J. O'Brien, Premier of Quebec; Hon. Martin Barrett, Federal Minister of Agriculture, and Mayor Gervais, all of whom delivered brief addresses. Mr. James Grant, of Ottawa; Archbishop Bruchet, Bishop Paré, Lord Bishop of Montreal, and many others.

There was a large crowd in attendance, including a great number of the leading physicians and health officers from far and near were seated in the Convention hall. Hon. Martin Barrett intimated that a department of public health might shortly be added to the activities of the Federal Government, although a separate minister might not be assigned to it. He emphasized the fact that he was speaking quite informally, but he had also expressed his complete support of the project. Sir O'Brien officially made the announcement that the province had been divided into ten sanitary districts, over each of which would be placed an expert chosen from the medical graduates of McGill and Laval universities. Dr. Stacey, president of the association, and Dr. James Grant, of Ottawa, received the guests on their arrival. In opening the proceedings, Dr. Stacey delivered an address of welcome to their Royal Highnesses, thanking the Government for accepting the invitation to become patron of the association and for coming to open its inaugural session. He also said a warm tribute to Lord Strathcona, who is taking a deep interest in the work, and read a letter from the Canadian High Commissioner wishing the association all success, and enclosing a cheque for \$2500.

Dr. Stacey explained that the aim of the Association is to spread the knowledge of sanitary work among all classes. The Duke in reply said that of the many public questions awaiting solution in Canada, none was of such importance as the health of the people. We owe it to ourselves and the rising generation to see conditions improved as far as it is within our power.

The Woman Is Dying. Winnipeg, Dec. 14.—May Ford, the woman who was shot yesterday by Fred Lieberman, editor of the Germania, is dying. The bullet was a brain one and despite possessing has met in Lieberman will be charged with murder.

Winnipeg, Dec. 14.—J. M. Reid of Montreal who arrested a burglar under orders from here was freed today by the police court this morning.

RESTRICT CLASS OF HOUSES NEAR PARKS

New Parks Committee May Take Up Suggestion to Amend Property Surrounding Parks, and Thereby Be Able to Restrict Class of Houses Built.

One of the matters to be brought to the attention of the parks commission when this body commences its work on Monday is a suggestion that property immediately adjoining that acquired for park purposes be acquired by the city. The suggestion was made by Councillor Candy yesterday morning in the course of an informal discussion of the question of park improvements. The commissioner contends that the property adjoining the city parks is improved by them and that therefore the city should derive some share of the increased value that effected.

One of the chief contentions in support of the proposal, however, is that restriction could be imposed on the class of buildings to be erected near the parks and thus, not only the parks, but the general appearance of the whole neighborhood would be improved. The suggestion was made only in the course of an informal discussion but may in the future receive serious consideration. Major Armstrong expressed his belief as of the opinion that the school board should be urged to throw its playgrounds open to the children at the parks. At the present time the grounds are closed to the children shortly after school is closed.

NO POLICE PORT MARCH.

Manitoba Will Get All Hudson Bay Coast Line Says Ottawa Paper. Ottawa, Dec. 13.—The Evening Journal, on the authority of a cabinet minister, says that when the Manitoba boundary question is finally disposed of, which is expected to be in a few days, Ontario will not be given a part on Hudson Bay. It is felt, however, the Journal says, that some compromise will be reached that will prove satisfactory to both Governments and that Ontario will not press its claims further.

Arranged the rank and file members of parliament. It is felt that Ontario being in possession of such ports as Toronto, Hamilton, Sarnia, Ottawa, etc., should not endeavor to limit the boundaries are extended, the prime province at present having no port.

Mrs. Verma's Father Dead. Chicago, Ill. Dec. 14.—Mrs. Louise Verma, who is in the county jail hospital, charged with the murder of Johnathan Binnett, and charged of having knowledge of the death of several other persons, today heard of the death of her father, John Wolf. The sheriff will issue a warrant to allow her to attend the funeral.

Now a Household Name

So widely and favorably known is Blue Ribbon Tea that it has become a household name in Western Canada. "Blue Ribbon" means the finer, the first prize winner and the one that you get for that name. If it does not fully satisfy you, your money will refund your money.

AROUND THE CITY

TODAY

H. V. Burbridge, stores commissioner of the Hudson's Bay company, is in the city a guest at the King Edward hotel.

The Waverley farming house on Fraser avenue, has changed hands. Lowther and Kelly have leased the property and put in excellent shape. There are 41 rooms, all finished in modern style.

FUNERAL OF JOHN WHITTE

The members of the Edmonton Irish Association are requested to meet at Anderson's undertaking parlors, 1000 Broadway, at two o'clock p.m. Friday to attend the funeral of Mr. John Whittle. The members are requested to wear their badges.

NONE SERIOUSLY INJURED

That none of the Country Irish from Edmonton, aboard the special Grand Trunk Pacific train, which was

checked in the state of Maine Wednesday, was injured seems apparent from a telegram received last night by J. P. Plath, city passenger agent of the Grand Trunk Pacific from R. Kingston, the city commissioner's clerk, who was the organizer of the party. This telegram under date of Portland, Me. Dec. 13, reads as follows: "Arrived safe. Everyone more than satisfied with excellent arrangements for journey."

CHARGED WITH THEFT OF GOODS

At the close of a hearing at the mounted police barracks yesterday, Inspector Waverly made an order committing X. J. Jones, colored, for trial in the supreme court on a charge of stealing \$750 worth of goods from the Hudson's Bay company in this city. The stolen property is alleged to have been stolen somewhere, the exact location of which is, however, still a matter of speculation. Officers are working on the game and additional developments are expected.

TO CLOSE DUNING GROUND

Instructions for the closing of the dumping ground on Glenora street

were given by the commissioners at a regular meeting yesterday. This action was taken on the recommendation of the city engineers, who reported that the weight of the rubbish piled up on the ground was tending to increase the erosion of the bank, which under certain circumstances is sufficiently serious to cause landslides. The dumping ground will therefore be closed and another dumping ground will be established.

The aqueduct works of large quantities of water in the city was subject of some discussion, and finally it was decided to ask the superintendents of waterworks to advise the board what steps are being taken to discover and remedy defective plumbing. It was stated that the present consumption for the city is 100 gallons per capita per day, whereas the average consumption should be no more than 25 gallons per day.

The city engineer was instructed to prepare plans for the driveway which it is proposed to construct in Virginia Park.

The commissioners issued instructions to the secretary treasurer to pay all December salaries before Christmas.

UPPER TENANTS' FRANCHISE

The striking out of the amendment to the city charter granting the franchise to tenants is one of the steps contemplated by the city council when an appeal is made to the legislature for amendments at the present session. The section of the charter dealing with the amendment and the granting of the vote list has been amended and does not indicate the granting of the franchise to tenants. The right of the tenant to vote was recognized by the legislature last year when this clause was included despite the opposition of a large section of the city council at that time. The matter was discussed by the council at last night's meeting when it was made clear that a majority of the present council are opposed to granting the franchise to tenants. It is considered likely, however, that their request for a referendum will not receive the sanction of the legislature. It is not unlikely, however, that the term of residence will be extended from one month to a period of greater duration. Few tenants object to this year for the limitation of their names in the voters list for 1912.

In the meantime this is explained by the fact that an effort was made to restrict the poll tax from every applicant. This difficulty will be removed next year, hence it is proposed to ask the legislature to abolish the poll tax.

IN THE POLICE COURT

Charged by Fred C. Rowe with assault on the lady, Hamilton H. Leary was yesterday found guilty by Magistrate Cowan and fined \$10 and \$5
